Message from our President

Pat Pierce

Spring is here! That means we have been organizing, cleaning and preparing for the opening of the Museum on April 2nd. Many hours of work by our members over the winter have prepared us for a great season. For instance, the City of Bothell restored the front porch, making it a sturdy place to walk. The workers even recreated the millwork on the porch so that everything has the original look. Bricks from the old highway now reside in a pathway between the school and the Hannan House. A big thank you to Boy Scout Troop 620 and the Bothell Parks Crew for working on the pathway!

For members, please mark your calendars for the Spring Membership Meeting and consider becoming a docent. With the opening of the upstairs for viewing, we will need four people each Sunday to help explain the exhibits and help out visitors with their questions. Mary Anne Gibbons will have the schedule information at the meeting.

With the help of many people from our volunteers and the City, we can see great progress possible. Come and visit. Bring your friends and neighbors. Let us know if you would like to be involved in one of our projects. Thank you to so many for all that you have done for the Museum so far. Together we will have a successful year helping the Museum become a jewel in The Park at Bothell Landing.

Research Department

The Research Department (it is not as grand as it sounds) responds to an average of one request per week. These requests come from families, individuals, governmental institutions, authors, students and businesses. We provide copies of information and digital photographs free of charge (though donations are not discouraged). When we are not responding to requests, we digitize photos, collect information, and sort and catalogue the information we have.

Go to the Bothell Museum web site to check out the historic power points we did last year for the City of Bothell. Or visit <http://bhm.stparchive.com/> to read the historic newspapers that Bothell, Woodinville, and Kenmore heritage societies have digitized with the help of 4Culture and the Bothell Library.

Hannan House

The City of Bothell did a restoration project on the porch this year. Some of the supports, porch decking posts and railings were suffering serious rot and decay, causing this area to be closed at the end of last year. New drains were put in to solve the rot problem, the decking was replaced and new posts and railings made.

2017 Membership Changes

You may have noticed the membership renewal form is now dated by year. We have changed to yearly memberships January to December. In the past, all members had different renewal dates, which was difficult to keep track of. If you have not renewed yet, there is a membership form on the last page of this newsletter to send in, or you may renew at the Spring Meeting.

Thanks to our Volunteers and Supporters

We are grateful for our volunteers who recorded over 2,000 hours in service to the museum. Listed here are some of the projects they worked on:

- Docents in the museum buildings
- Renovation of the Hannan House
- Digitizing old pictures
- Research & History Library
- Serving on the Board of Trustees

- Care of Museum artifacts
- Outreach
- Writing Grants & Applications
- Pathway from Hannan House to School
- Newsletter

Docents Needed!

Mary Anne Gibbons

We are currently preparing our docent schedule for Sunday afternoons, April through October, 1 to 4 pm. If you are available on one or more Sundays please contact Mary Anne Gibbons (425-780-0871) or Jill Keeney (425-827-5806) with dates you are interested in. We also need docents for special group tours at various times.

The Park At Bothell Landing is increasingly popular and we have many visitors each Sunday We need at least 4 docents for each opening. Please consider being on of them! Training is provided.

Welcome to Bothell Sign

Members of the community are working to bring back the "Welcome to Bothell" sign. Richard Olson and Susan Gardner of Olson Design Jewelers are leading the effort. The group has been in contact with the City of Bothell for their input and support.

The old signs were located at the East and West entrances to downtown Bothell. They have been lost during the various construction projects in the area. The new sign would be located at the entrance to the Park at Bothell Landing, location of the Bothell Historical Museum. It is planned to have bricks from the original Bothell Way brick road surround the sign.

The current goal is to raise the \$10,000 needed to build and place the sign through public donations. If you wish to help fund this project, make a tax-deductible check to Northshore Rotary Foundation and deposit at Banner Bank.
